RE: NOTIFICATION OF WATER SUPPLY BANK LEASE EXPIRATION FOR WATER RIGHTS: 3-7001B, 3-7001E,

Dear Lessor:

Idaho Department of Water Resources (Department) records show that all or a portion of the above referenced water right, currently leased to the Water Supply Bank (Bank), will expire December 31, 2013. This letter is notice that the right will be considered released from the Bank unless you submit a completed *Request to Extend Lease Term* application (enclosed) within thirty (30) days of the lease expiration date.

If you would like the right to remain leased to the Bank, please specify the date to which you want the lease extended. All leases expire as of December 31 unless otherwise specified in the lease agreement. You may also request the right remain leased to the Bank for an "indefinite" period. In this case, the right will remain in the Bank indefinitely unless released earlier by the Water Resource Board or until you submit a request to the Department in writing to release the right from the Bank.

Please consider that the five (5) year period of nonuse related to forfeiture of a water right shall begin to accrue upon release of the right from the Bank or shall continue to accrue if a period of nonuse occurred prior to the lease date of the right to the Bank.

If you have questions regarding this matter, feel free to contact me at (208) 287-4918.

Sincerely,

Remington Buyer
Water Supply Bank Coordinator
