RE: Water Right Permit No. 22-07721—**Final Notice**

Dear Permit Holder(s):

The Department of Water Resources is reviewing the permit referenced above prior to issuing a water right license. By issuing a license, the Department confirms the extent of development that has been established in compliance with the terms of the permit. The examiner who verified your water use reported that certain elements of the permit have been developed differently than described on your permit. Changes that do not increase the authorized use of water under the permit can be requested and approved in accordance with Section 42-211, Idaho Code. Before a license can be issued, your permit must be amended to depict your water use as it was actually developed.

Based on the examiner's report, the following elements were developed differently than described on your permit:

 X **Point(s) of Diversion add points of diversion**

 Place(s) of Use and other QQs and change other QQs

 Other

The enclosed Application for Amendment form depicts the elements of the water right as they will appear on the license when it is issued. Please review the amendment form carefully. , Please sign the form and return it with the \$100.00 filing fee within 14 days. **If we do not receive the amendment we will assume you are no longer interested in obtaining a water right license and your permit will be voided.**

If you have any questions, please call me at 525-7161

Sincerely,
Dave Carlson
