PROOF DEFICIENCY LETTER

RE: Permit No. 65-23304

Dear Permit Holder(s):

This letter is to inform you that the license examination fee paid at the time of filing your Statement of Completion for submitting proof of beneficial use ("proof") form does not cover the maximum diversion rate of 0.28 cfs allowed under your permit. The license examination fee is based on the maximum rate of diversion that was developed, and is for the department to conduct a beneficial use field examination of the water system to verify its use.

According to the proof form you submitted you stated that you are only diverting 0.20 cfs from ground water. If you are diverting at the lower rate of 0.20 cfs, the license examination fee of \$50.00 that you paid is sufficient, and you will be licensed at this lower rate. Based on the permitted maximum diversion rate of 0.28 cfs, the license examination fee is \$100.00. If you are diverting at the rate of 0.28 cfs allowed under your permit an additional fee of \$50.00 is due before your proof form can be processed. If need be, please change the form to reflect the permitted maximum diversion rate and submit the additional \$50.00 license examination fee required to cover this rate.

Additionally, the title of the person signing on behalf of a company or organization is required next to the signature on your proof form. Enclosed is the original proof form you filed with the department. Please complete the proof form by including the title of the person signing on behalf of Garden Valley School District #71. After you have made any of the changes listed above please return the proof form to me in the enclosed self-addressed stamped envelope. Upon receipt of the revised proof form, the department will then be able to move forward with processing your proof statement.

I will hold this matter for your response for fifteen (15) days from the date of this letter. Enclosed is a copy of this permit for your reference, along with instructions for filing proof and the filing fee schedule.

If you have any questions, please contact me at (208) 287-4945.

Sincerely,

Darla Block
