DEPARTMENT OF
WATER RESOURCES

Dear Darla Block,

As I tried to find all the paper work for our Encroachment Permit, I discovered that I had not completed the paper work correctly. So it is my fault the Permit is not complete, not the Department of Lands. I would asked that you still consider my request for extension. If you cannot extend, please let me know what I need to do. Do I start all over again from the beginning? Thank you.
