
COMMUNICATIONS MEMORANDUM

TO: FILE 75-14477
FROM: DANIELLE FAVREAU
SUBJECT: CONVERSTATION WITH MICHAEL PHILPOTT
DATE: DECEMBER 11, 2013
CC:

On December 11, 2013 Michael Philpott contacted me regarding Permit 75-14477. Mr. Philpott said that he is billed by the Kane Ramey Ditch Company by the size of his lot. He has access to water from the Kane Ramey Ditch Company one day a week for 24 hours.

Based on this information, I believe that all of the land covered by 75-14477 is also covered by surface water rights in the name of Kane Ramey Ditch and permit 75-14477 is supplemental to the surface water delivered by the Kane Ramey Ditch.
