RE: Water Right No's: 2-10217, 2-10431

Dear Applicant:

Thank you for submitting the Notice of Change in Water Right Ownership. Our review of your notice indicates that additional documentation and clarification is required before we can process the change.

- A copy of the conveyance document.
We did receive a Warranty Deed; however you will need to submit a copy of the recorded deed showing that you are the owner of the land associated with the water rights.

Because the Department cannot process this request at this time, we will hold any action on your notice pending receipt of the necessary documentation. If we do not receive the required documentation within 30 days, the notice will be returned and will not be processed.

Thank you for your cooperation, if you have any questions please contact this office at (208)334-2190.

Sincerely,

For
