Here's a surprise. Please note for any files you have where he is the contact re Givens Pursley. At some point, will need to check with him to see if he still represents the applicant.

For Denise: when you have time, please check all the apps held in the file cabinets up front – holds & protests - & put a copy of this email in any files where John is the attorney -- thx

Subject: New Opportunity

Friends and colleagues at IDWR,

Over the past several years I have been doing a considerable amount of work for Allen Noble and his companies, including Farm Development Corp., Allen Noble Farms, Grindstone Butte Canal Co. and others. My role with these companies has expanded to a point where it makes sense for me to take on the role of general counsel for his companies, which I will do as of today. I am facilitating this change by opening a solo practitioner law firm. As you can imagine, the decision to leave Givens Pursley after over 10 years has been difficult. However, this new opportunity is one I felt I couldn't pass up.

In my new role I have carved off some space to continue working on specialized projects for a handful of clients, so I'll continue to be involved with a few other clients as well.

My new contact information beginning on Monday, April 5th is:

John Marshall Law PLLC
575 W Bannock St., Suite B, 83702
john@jmarshalllaw.com
phone 991-2701
cell 283-1540 (same as now)
fax 906-8043

I look forward to continuing to work with all of you,

John
