To Whom It May Concern,

I am writing on behalf of my mother, Doris Friedel, in order to update the names on the water rights associated with her property at 55 E. Inman, near Inkom.

My dad, Walter E. Friedel, passed away this year, and we need to update paperwork so it states the correct name(s).

My mom would like to have her name and the names of her two children, Bryan Friedel and Teresa VonBusch on the water rights for her property. No land has been sold, nor any other changes to the existing water rights; simply a removal of a deceased person's name, making sure his spouse, Doris Friedel, is on currently, and adding Walter and Doris' two children, Bryan Friedel and Teresa VonBusch.

Doris spoke with Joyce Rendance earlier this season, and she sent us the paperwork we needed to complete. Hopefully, we have included all the necessary forms.

Please let me know if we have further paperwork we need to track down, and/or if you have questions in this matter.

Sincerely,

Teresa VonBusch

and

Doris Friedel
