Dear Jonie,

Water Rights Claim #s: 29-10789 and 29-10790

Here is the information you requested in order to remove my deceased father's name from their water rights and to make sure my mom's name is on the water rights associated with her property in Inkom.

I am still unsure as to which form(s) (Quit Claim) to complete in order to add her two adult children's names to her water rights. There are a plethora of forms on the Department of Water Resources web site, and I'm not sure which one we should actually use! Once my mom's name (Doris Friedel) is added, and my dad's name (Walter Friedel) has been removed, could you point me in the right direction for the next step?

My mom said her check has already been processed for this change. Will that cover the adding of my brother and me, or will that be an additional fee?

Thanks again for your help.

Sincerely,
