Hi Jonie,

Finally, I think we are on our last piece of paperwork! Thanks so much for your patience and help in the name changes on water rights for my mom.

We would like the actual names to read, "And/or" on the deeded rights. Doris Friedel , and/or Bryan Friedel, and/or Teresa Von Busch.

Here is the Quit Claim Warranty Deed recorded at the county on December 3, 2013. Let me know if this is what you needed, if we have everything in and correct, and if there are any other steps we need to complete.

Sincerely,

Teresa Von Busch
