RE: Water Right License No. 02-10264

Dear Mr. and Mrs. Hendrickson:

Following the field examination wherein we confirmed that you have a pump on the Snake River for your irrigation purposes, we issued the enclosed water right license for the use developed on your property. Please note that the license was issued in the name of George and Deb Wilder since they were the permit holders of record.

If you want to change the ownership of this water right to your names you can do this by submitting a Notice of Change in Water Right Ownership form, along with a copy of your deed and a \$25.00 filing fee. I have enclosed a form for your convenience.

If you have any questions concerning this matter, please do not hesitate to contact me at 334-2190.

Sincerely,

A handwritten signature in black ink that reads "Kay Walker". The signature is fluid and cursive, with the first name "Kay" and last name "Walker" clearly distinguishable.
