RE: Water Right No's: 79-4425

Dear Applicants:

Thank you for submitting the Notice of Change of Water Right Ownership. After reviewing your notice, it has been determined that Water Right No. 79-4425 was not claimed in the Snake River Basin Adjudication and was decreed as disallowed. Since this water right was disallowed, we did not modify our records and a refund of the filing fee for this ownership change has been requested. You will be receiving a refund of this fee, under separate cover, from the State Auditor's office. We are returning the application and all attachments.

If you have any questions concerning this matter, please contact this office at 208-334-2190.

Sincerely,

FOR
