IDAHO DEPARTMENT OF WATER RESOURCES
Water Right 57-11618

12/6/2013

2. 077 Water shall not be diverted for fire protection use under this right except to fight or repel an existing fire.
3. 103 When ordered by the Director, the right holder shall provide mitigation acceptable to the Director to offset depletion of lower Snake River flows needed for migrating anadromous fish. The amount of water required for mitigation, which is to be released into the Snake River or a tributary for this purpose, will be determined by the Director based upon the reduction in flow caused by the use of water pursuant to this right.
Any order of the Director issued in accordance with this paragraph shall be in conformance with applicable rules allowing the right holder due process as the need for mitigation and the amount of mitigation are determined.
