RE: Notice of Change of Ownership for Water Right No. 22-13718

Dear Jonie:

Enclosed for processing is a *Notice of Change of Water Right Ownership* for Water Right No. 22-13718. Along with a change of ownership, this water right will also need to be split. You will find the necessary Deed conveying a portion of the original place of use from the previous owners to Thomas P. Bovee and Darlene Bovee, along with a map showing the current place of use and the property lines where the water right needs to be split. Since the deed does not mention the water right, it must be divided based on the portion of the place of use acquired by the Bovees. Based on the attached map, it appears that the Bovees should receive the southern half of the water right, or 18 acres of the 38 acre place of use.

If you have any questions, please do not hesitate to contact me.

Best regards,

Luke H. Marchant
