The hearing officer called Ms. Chess regarding her request to accommodate the Applicant's hearing impairment. I am gathering information about what those options might be, and I plan to contact you this afternoon.

Jean—I do have a problem with this and am trying to be reasonable about it. However I am concerned that Ms. Chess and her associates are not following the rules which she is well aware of having been through numerous efforts to challenge Mr. Allen's applications. As I read the letter it raises some issues but as I got to the end I found the email communication from Ms. Chess to the hearing officer. The email indicates that the hearing officer called Ms. Chess although her email does not reveal what it was about. I assume at this point it may have been about the issue of representation at the hearing. However I would like to know the subject matter of the call from the hearing officer to Ms. Chess and if she called him back. At least I would be in a better position to deal with the issues. Could you please let me know . Since I am copying Ms. Chess on this message, she can respond as well. Thanks Bruce

The Department received this response from Sandra Chess regarding Representation at the hearing. It appears it wasn't emailed to all parties. If you have any questions or concerns, please contact me.

Thank you.

The hearing officer has attempted to make sure all parties are receiving all documents. I believe you have copies of everything.

Jean—This is the second document filed by the protestants that was not provided to me. The first was Mr Jividen's letter. Can you please check to see there is nothing else that might have been provided just so we have an orderly hearing. Thanks Bruce

Jean—I have given exhibits to everyone already and I suspect Ms Chess has done likewise. Is there some other entity/party that needs copies? I will have a set for my witnesses to be included in the record. In this case I doubt there is any document that is not part of the IDWR records anyway. Bruce

Subject: Water

Jean,
Regarding the West Mountain Water Wars with Allen Ranch.
I'm on Sandy Chess' side.

I'm a member of West Mountain Properties LLC, the owner of the land where this diversion takes place. We don't want this diversion on our land. And we don't want to deprive the west mountain cabin people of their water.

BUT – I'm going for a hernia operation on the 11th, so I won't be able to attend the hearing.

I sent the written protest & \$25, what do I do to make it stick at the hearing?

Thanks

Dwight Jividen
