On October 18, 2013, the Idaho Department of Water Resources ("Department") sent out notice for a hearing scheduled to be held on January 7-9, 2014 at the offices of Racine Olson Nye Budge & Bailey in Pocatello.

On November 26, 2013, the parties, through their attorneys, requested that the hearing date be advanced to allow additional time for the parties to negotiate an informal settlement of the protest. The parties requested that the hearing be rescheduled for January 2015, if necessary. The Department should vacate the hearing scheduled for January 7-9, 2014 and reschedule the hearing at some point in the future. The Department will contact the parties to schedule a status conference to be held in September 2014. The hearing will be rescheduled during that status conference. All disclosure/discovery deadlines will be re-set during that conference.

IT IS HEREBY ORDERED the hearing scheduled for January 7-9, 2014 for the applications identified above is VACATED.

Dated this 4th day of December, 2013.
