RE: Notice of Change in Water Right Ownership No(s). 65-10466, 65-17513, 65-10988 and 65-7126

Dear Property Owner(s):

Thank you for submitting your request for a Notice of Change in Water Right Ownership for the above mentioned water right. After reviewing your request, it was discovered that additional information is needed to process this request.

We need clarification on which water rights actually go with your property. All of these rights were decreed to the same property. In 2004, a portion of the property was split into parcel # RP13N03E129950, current owner is Darryl John. In 2011 the remaining property was split into four (4) parcels, RP13N03E129555, RP13N03E129710, RP13N03E129535 and RP13N03E129805 with the current owner listed as Paul E McNabb. ⁶⁵⁻¹⁰⁴⁶⁶ ⁶⁵⁻¹⁰⁹⁸⁸ ⁶⁵⁻¹⁷⁵¹³

Water right 65-10466 will need to be split. According to the warranty deed you provided, 5.4 acres of irrigation of this right is appurtenant to your property. 1.6 acres of the irrigation portion of this right is appurtenant to property owned by Darryl John. Does the stockwater portion go with your land or land owned by Darryl John? We will need additional fees to split this water right. The additional fees will be \$75.

9710

9535

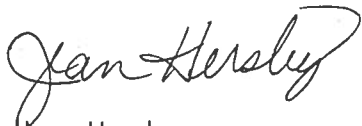

In regards to water right 65-17513(domestic and stockwater use) and 65-10988(domestic only use), is one of these rights appurtenant to property owned by Darryl John? *NO*

The ownership of water right 65-7126 will be changed to Paul and Rebecca McNabb.

Because the Department cannot process the ownership change without proper information and fees, we will hold any action on your notice pending receipt of the necessary information and fees. If we do not receive the necessary information and fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience. We have had many ownership changes to review. Please feel free to contact me at (208) 287-4942 if you have any questions regarding this matter.

Sincerely,

Jean Hersley
