RE: Assignment of Permit for Water Right No. 95-15287

Dear Permit Holder:

The department acknowledges receipt of the assignment of permit for the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report and a copy of this permit for your records.

Please note that proof of beneficial use due date under condition no.1 of this permit was November 01, 2013. The Department sent you a lapse notice on November 8, 2013. In order to reinstate this permit, either an acceptable proof statement or an acceptable extension request must be received by this Department within sixty (60) days of the date of the lapse notice. The (60) day deadline for filing an extension is January 7, 2014.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please contact me at 208-287-4945, if you need additional assistance.

Sincerely,

A handwritten signature in cursive script that reads "Darla Block".
