Re: WATER RIGHTS # 36-10342, 36-7483

Dear Mr. Mason,

The Department of Water Resources acknowledges receipt your correspondence requesting we remove Kay Mason from the above referenced water rights. The Department has removed Kay Mason from its computer records as requested. .

If you want to add Beth on your water rights I will need documentation (a copy of your marriage license, quitclaim deed, etc). If you wish to add her to water right 36-10341, an additional fee of \$25 is needed. Please submit the required information and return it to the Department. As soon as this information is received, our records will be updated and you will be notified by mail that the change has been completed.

As for your request to put Danny on your Water Assessment, the only water assessment I can find is with the North Snake Ground Water Association. My understanding is that they bill the landowner and any special arrangements will have to be made with them. Their phone number is 324-8995.

I apologize for the delay in processing your request, the adjudication caused quite a backlog but I hope to correct this problem as soon as possible. Please feel free to contact me with any questions regarding this matter. (208) 736-3033

Sincerely,

Carrie Hahn
Clerk
