☐ If no, provide documentation of your authority to sign on behalf of the right holder -- OR -- attach a *Notice of Change in Water Right Ownership* form along with the required documentation and fee.
4. Mailing address ☒ Same as water right record -- OR -- complete the following information:
Address _____ City _____
State _____ Zip code _____ Email _____
5. Give the last date water was beneficially used 2008
6. Explain your reasons for non-use of the water right and your reasons for requesting an extension of time.
Attach additional documentation if needed.
This water right was purchased and transferred to the current place of use in 2009. At that time, the Applicant was constructing homes at a rate that he felt this water would be necessary in the near future. Subsequently, the housing market suffered a severe downturn and the Applicant did not build as many homes as originally anticipated. Due to this, the Applicant has not been able to use all of this water. (See additional page.)

The information contained in this application is true to the best of my knowledge.

The right holder shall resume beneficial use of water on or before September 27, 2018

Signed this 29th day of November, 20 13.

6. Furthermore, because this right is part of an existing mitigation plan (see condition no. 6 of Water Right No. 25-14240), it is protected from forfeiture under Idaho Code § 42-223(10). Out of an abundance of caution, however, the applicant is filing this application to ensure that the right is protected.
