RE: Water Right Permit No. 86-07304

Dear Permit Holder(s):

The Department of Water Resources has re-reviewed the file, and found that additional acre-feet should be allowed (changing the Maximum Diversion Volume from 35.7 AF to 36.2 AF). For this reason, an Amended Application for Amendment is being mailed to you for your signature. No additional fees are required.

Please sign and date the attached Amended Application for Amendment, and return it in the self addressed envelope within 14 days. Upon receiving the Amended Application for Amendment, the license for 86-07304 will be signed and issued.

I apologize for the inconvenience. If you have any questions, please call me at (208)287-4920.

Sincerely,

A handwritten signature in cursive script that reads "Sandy Hemenway".

Sandy Hemenway
Sr. Water Resource Agent
