RE: Ownership of 86-11966

Dear Property Owner:

Thank you for submitting the information needed to process water right permit 86-11966; however, the assignment of permit you sent in has not been notarized or signed by the permit holder and therefore cannot be accepted. I am returning the Assignment of Permit and sending a Notice of Change of Ownership that can be updated during the licensing process.

Please sign, date and return the Notice of Change of Water Right Ownership to the Department. No additional fee is needed as we will transfer the \$25 you paid for the Assignment of Permit to the Notice of Change of Water Right Ownership.

If you have any questions, please contact this office.

Sincerely,

A handwritten signature in black ink that reads "Jean Hersley".
