RE: Water Right No's: 79-7221& 79-14164 – 79-14176.

Dear Applicants:

Thank you for submitting the Notice of Change in Water Right Ownership. Our review of your notice indicates that additional documentation is required before we can process the change.

The information required is a Plat map, survey map or aerial photograph which clearly shows the place of use and a point of diversion for each water right/and or claim listed above (if necessary to clarify division of water rights or complex property descriptions).

On January 7, 2013, this information was also requested to be submitted. Because the Department cannot process this notice, we will hold any action pending receipt of the requested documentation. If we do not receive the necessary information within 30 days, your notice will not be processed and it will be returned with all attachments.

Thank you for your cooperation. If you have any questions regarding this matter, please contact me at (208) 334-2190.

Sincerely,

Rachel Sommer
