RE: Water Right No's: 57-84, 57-101, 57-111, 57-133, 57-146, 57-2210A

Dear Applicants:

Thank you for submitting the Notice of Change in Water Right Ownership. Our review of your notice indicates that additional documentation and clarification is required before we can process the change.

The deed provided to the Department does not show you own land appurtenant to township 5S, range 1E, section 21 in the NE quarter of the NE quarter. Since each of the rights listed covers land in this area we will have to split each of the water rights. Please submit a deed that shows you own this land or an additional fee of \$450.00 to cover the water right splits.

Because the Department cannot process this request at this time, we will hold any action on your notice pending receipt of the necessary documentation. If we do not receive the required documentation within 30 days, the notice will be returned and will not be processed.

Thank you for your cooperation, if you have any questions please contact this office.

Sincerely,

For

Rachel Sommer
Administrative Assistant
Western Regional Office
