RE: Water Right No's: 67-2329A

Dear Applicants:

Thank you for submitting the Notice of Change in Water Right Ownership. Our review of your notice indicates that additional documentation is required before we can process the change.

The deed provided to the Department covers an 18 acre portion of the water right. Please submit another deed showing ownership of the entire water right or an additional fee of \$75.00 to cover the water right split.

Because the Department cannot process this request at this time, we will hold any action on your notice pending receipt of the necessary documentation. If we do not receive the required documentation within 30 days, the notice will be returned and will not be processed.

Thank you for your cooperation, if you have any questions please contact this office.

Sincerely,

For

Rachel Sommer
