RE: Change in Ownership Water Right No. 17-2060, 17-7002, 17-7024 & 17-2023

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Filing Fee** of \$25 per water right

**** **Filing Fee** of \$100 per water right for changes resulting from division of a water right

**** **Evidence of Water Right Ownership:** The department was missing a few deeds for a full chain of title. The notes on the file indicate we are waiting for a Warranty Deed from property from Leonard Wilcock Trust Section 23 (taxlot data appears to be ½ interest). A Warranty Deed from Leonard Wilcock to Bill and Sandra Wilcock Section 26 & 23. A Quit Claim Deed from Mark Bunker Section 27. A full chain of title from HB Robbins Section 23 & 26.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be \$175.00, unless it is determined additional water rights will require a split. When the department receives all the information if additional water right will require a split an additional filing fee will be requested.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
