RE: Water Supply Bank Lease for 35-13992

Dear Lessor:

This letter is to update you on the status of your water right, 35-13992, for irrigation of 275.4 acres in Bingham County. On November 3, 2010, we informed you by letter that this right had been leased to the Water Supply Bank. That letter was incorrect and I apologize for the oversight. This water right had been placed in Conservation Reserve Enhancement Program (CREP) and would be ineligible for the Bank. It is still protected from forfeiture and should not be used as a condition of its acceptance into CREP.

Please contact me at (208) 287-4907 or Monica.vanbussum@idwr.idaho.gov if you have any further questions.

Sincerely,

for Monica Van Bussum
Sr. Water Resource Agent
