RE: Notice of Change in Water Right Ownership No(s). 98-7726 and 98-2019

Dear Interested Party(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

The additional information is a copy of the conveyance document- warranty deed, quitclaim, etc. Also 98-7726 is a water right permit. We cannot process an ownership change on a permit, therefore, we will postpone that change until a field exam can be accomplished and licensing has been completed. You can mail the document to the address above, email it to: clay.webster@idwr.idaho.gov or fax to (208) 287-6700, Attn: Clay.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Please contact me at (208) 287-4910 if you have any questions regarding this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Clay Webster', with a long, sweeping horizontal line extending to the right.
