RE: *Submission of Proof of Beneficial of Use for Permit Nos. 25-14166 and 25-14167.*

Dear Ms. Block:

Enclosed are completed *Statements of Completion* for submitting proof of beneficial use for the above referenced permits, which are held in the name of Comore Development Inc. As you can see from the proof due documents, the entirety of Permit No. 25-14166 was developed with the development of 200 stubbed-in lots. Of the 200 lots listed under Permit No. 25-14167, however, only 22 of those lots were developed.

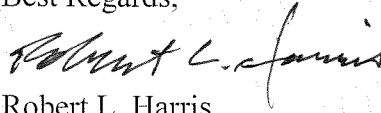

To aid the Department with the documentation of which lots are covered by these permits, we have prepared a spreadsheet and map that shows which lots are covered by these permits, as well as a number of other water rights held by Comore Development Inc. or the water corporation in the subdivision known as Comore Loma Water Corporation.

We have also included the require \$100.00 filing fee for each of the two permits, for a total of \$200.00.

If you have any questions regarding these documents, please do not hesitate to give us a call.
