RE: Change in Ownership of Water Right Permit No. **91-7753**

Dear Permit Holder(s):

The Department of Water Resources acknowledges receipt of your Assignment of Application for Permit form filed on November 6, 2013.

Because this water right is in the permit stage, an **Assignment of Permit form** is required to complete the ownership change for the above referenced permit. Enclosed is an Assignment of Permit form for your use. Please note that there is a \$25 filing fee required with an Assignment of Permit.

I am returning the paperwork that you sent, and request that you return the completed assignment of permit form and filing fee. Once the Department receives the correct form and fee, I will then be able to process your ownership change.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions, please contact me at (208) 287-4945.

Sincerely,

A handwritten signature in black ink that reads "Darla Block".
