RE: Notice of Ownership Change: 65-9540B

Dear Applicants,

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. However, the application has not been processed.

In September 2013, I spoke with Richard requesting further documentation in order to change the ownership for the above referenced water rights. As of November 12, 2013, the Department has not received the requested documentation.

The following was either not submitted with the notice or needs some clarification.

- To change ownership of Right No. 65-9540B, please submit exhibit A of the warranty deed and a plat map, survey map or aerial photograph which clearly shows the place of use and point of diversion.

Because the Department cannot process this request at this time, we are returning the application and all attachments. A refund has been requested that will be sent to the payer under separate cover. You may submit the forms with the required documentation and fees at any time.

Should you have questions, please call this office at 208-334-2190.

Sincerely,

For

Rachel Sommer
