Re: P4 Production, L.L.C. - Water Right No. 27-12002

Dear James:

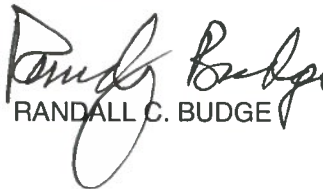

Enclosed please find the following we are submitting on behalf of P4 Production, L.L.C. for filing and processing:

1. Original and three copies of Notice of Change in Water Right Ownership.
2. Check for filing fee in the amount of \$25.
3. Stamped and addressed return envelopes to me and to P4 Production, L.L.C.

Please file and process the original Notice of Change and conform stamp and return the extra copies to me and to P4 in the stamped and addressed return envelopes. Per our phone conversation, this is an additional supply of water which P4 can make available if necessary and appropriate as a part of the Mitigation Plan at the Blackfoot Bridge Mine. We will consult with Monsanto about amending that Mitigation Plan in the future as development proceeds and the mitigation requirements are determined.

If you have any questions, please don't hesitate to contact me.

Sincerely,

RANDALL C. BUDGE
