Dear Mr. Rude,

Per our phone conversation today it is my understanding that you would like to file a Request for Extension of Time form to provide additional time in which to submit proof of beneficial use for water right permit no. 95-16494. Attached above is an Extension Request form and Instructions for your use.

Please keep in mind that you only have 60 days from the date of the Lapse Notice which had a date of October 7, 2013. The 60 day deadline for filing an extension is December 06, 2013.

In addition, the priority date listed on the permit is advanced 1 day for every day your extension form is late past the October 1, 2013 proof due date also listed on your permit.

Sincerely,
