To Whom It May Concern:

I write this letter of protest in the matter of Mr. Don Brown's applying for water rights to divert water from Buck Creek to his adjoining spring. Buck Creek has run through the Cedars Condos since it was developed in the early 70's. Over the Labor Day weekend, Mr. Brad Christensen damned up Buck Creek and diverted all the water to the spring leaving the Cedar Condos a dry creek bed.

I have enclosed pictures of my pond, water wheel and water fall, all of which are supplied by Buck Creek.

Respectfully submitted,

Terry Walsh
