RE: Request for Pre-Hearing Conference in the Matter 01-10625 and 01-10626 in the Name of Peoples Canal Irrigation Company and Snake River Valley Irrigation District, Respectively.

Dear Sharla:

Enclosed please find *Notices of Appearances* in the above referenced contested cases. In addition, we request that the Department circulate a calendar for the month of November in order to schedule a pre-hearing conference with the protestants. We should point out that there were three other recharge applications that are also contested causes associated with three other local irrigation districts (01-10597, 01-10598, and 21-13144 in the name of Idaho Irrigation District, New Sweden Irrigation District, and Fremont Madison Irrigation District respectively), but because they involve hydropower and other issues, a pre-hearing on those applications will be held at a different time.

We appreciate your attention to this matter. If you have any questions or concerns, please let us know.

Best Regards,

Robert L. Harris

Sharla,

Since the time you asked for available dates, the Director ordered a status conference on a contested case that the Director originated in Basin 1 concerning the definition of "fill" and related issues. I think that everyone on this mailing list will have a conflict between this hearing and the Director's status conference, which is set for 1 PM in Pocatello. Could this be set on a different date?

Sharla: I am trying to get a hold of Mende, Walt Poole and our AG Dallas Burkwalter to see if this date will work for some or all of us.

I did not realize this was trying to be scheduled.

Will you still hold the hearing if no one from IDFG attends?

Sharla,
Since the time you asked for available dates, the Director ordered a status conference on a contested case that the Director originated in Basin 1 concerning the definition of "fill" and related issues. I think that everyone on this mailing list will have a conflict between this hearing and the Director's status conference, which is set for 1 PM in Pocatello. Could this be set on a different date?

Spoke with Mr. Mende. Both he and I will attend. We will determine if we will be represented by AG's office but that decision will not affect our presence.

Thanks!
