RE: Change of Ownership for Water Right Nos. 72-7209, 72-7372, 72-7375, 72-10141, 72-10142, 72-10143, 72-10147, 72-16597, 72-16599
Change of Ownership for Water Right Permit Nos. 72-7577, 72-7578, 72-7579, 72-7580

Dear Mr. James:

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights. The department has modified its records to reflect the change in ownership except on water right permit nos. 72-7577, 72-7578, 72-7579 and 72-7580 and has enclosed computer-generated reports for your records.

Because water right permit nos. 72-7577, 72-7578, 72-7579 and 72-7580 have not yet been licensed, they are considered personal property and as such require Lois Von Morganroth complete an *Assignment of Permit* to convey her interest in the water rights to Shiloh Warm Springs Ranch LLC. I am enclosing an Assignment of Permit form for your use.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Trish Fawcett
Technical Records Specialist
