Re: Domestic Uses

Ground water is used for irrigation and for domestic purposes for 1 home and 1 shop/office. There are two separate ground water wells on the property. One is used for domestic purposes. One is used exclusively for irrigation. Domestic uses are fully covered under SRBA water rights 75-10153 and 75-10154. Domestic use will not be included as an element on license 75-7637.
