

MEMORANDUM

To: Transfer File 78632 – Pinnacle Great Plains Operating Co. LLC
From: Denise Maline 
Date: October 28, 2013
Subject: Protest & Power of Attorney (Steed)

IDWR received a Notice of Protest via fax, from Gary & Sonia Steed on October 7, 2013. Protest is being filed against the above referenced transfer. On October 7, Kelsey Steed (Gary's daughter-in-law) came into IDWR and paid the filing fee for the protest. Gary & Sonia Steed are currently out of Idaho (in Arizona) on a mission.

After talking with Gary Steed on October 7, he will put together a Power of Attorney, in order to have his son Bruce Steed (Kelsey's husband) represent him in the future happenings of this application. Some correspondence was mailed to Gary in care of Bruce's address but was returned to IDWR on October 16. After talking with Kelsey on October 16; she said to just put Bruce's name on the envelope, and it will get to them for sure. The information was mailed again on October 16.

On October 21, 2013, IDWR received a Power of Attorney from Gary Steed. However, it appears that Gary has named his other son Earl "Garth" Steed; as well as his daughter Kathleen Forgeon, as Power of Attorney. I called Kelsey to clarify this, and she confirmed that Earl "Garth" is Bruce's brother; and she was confused as to why he was listed as the Power of Attorney instead of Bruce. She said she would make some calls and see what the situation was.

Kelsey later called back and said that Gary apparently had in fact named Garth Steed as a Power of Attorney, instead of Bruce. She gave me Garth's address and phone # and indicated to contact him in the future. She also said that she would forward Garth all of the correspondence that she and Bruce had already received.

In the future – all correspondence should be sent to:

Earl Garth Steed

Malta, ID 83342
(208) 312-5580

Bruce Steed

Malta, ID 83342
(208) 431-3968

****Leave Gary's name off the envelope or it will be returned by Post Office**

**** October 28, 2013**

IDWR received an updated / revised Power of Attorney; now naming Earl Garth Steed AND Bruce Steed, both as Power of Attorney. The daughter Kathleen Forgeon has been removed. Refer to this corrected version in the future; and also see cover letter associated with it, as needed.
