RE: Ownership Change for Water Right/Permit No.: 97-7438

Dear Interested Parties:

Thank you for submitting your request for an Assignment of Permit to the Department of Water Resources. Water right 97-7438 is no longer a permit but a licensed water right, therefore a Notice of Change in Water Right Ownership will be required.

I have enclosed a Notice of Change in Water Right Ownership form for you. Please sign and date it and submit this form with the required documents to IDWR. The filing fee will be transferred to the ownership change.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

If you have any questions, please contact me at (208) 287-4942. Thank you.

Sincerely,

Jean Hersley
Technical Records Specialist II
