Re: Change of Water Right Ownership for Water Right Nos. 65-2622 and 65-2706
MTBR&F File No. 16876.6

Dear Sir or Madam:

Enclosed please find an original and one copy of a completed Notice of Change in Water Right Ownership form for the above-referenced water rights, which we are submitting on behalf of our client, Vintage Properties LLLP ("Vintage"). Vintage acquired title to the real property, to which these water rights are appurtenant, under a Trustee's Deed on October 31, 2012, via foreclosure proceedings. A copy of the Trustee's Deed is enclosed herewith. You will also find enclosed an aerial photograph depicting the place of use and point(s) of diversion for each water right.

It appears from the Department's records that the prior owner, Ultimate Log and Custom Homes, LLC, did not file a change of water right ownership when it acquired title from Boise Cascade Wood Products, LLC, f/k/a Boise Building Solutions Manufacturing, LLC (a Boise Cascade company), in May 2005. Therefore, I have also enclosed a copy of the Special Warranty Deed from Boise Building Solutions Manufacturing, LLC to Ultimate Log and Custom Homes, LLC, and well as the Deed of Trust, Security Agreement and Fixture Filing between Vintage and Ultimate Log and Custom Homes, LLC. Finally, enclosed is the Amendment of Registration of Foreign Limited Liability Company, showing the change in entity name from Boise Building Solutions Manufacturing, LLC to Boise Cascade Wood Products, LLC.

Please file the original Notice, receive-stamp the copy, and return it in the enclosed stamped return envelope. Also enclosed is a check for \$50.00 representing the requisite filing fee.
