RE: Transfer Application

RECEIVED

OCT 15 2013

Department of Water Resources
Eastern Region

Dear Mr. & Mrs. Wahlen

The Department has received your application for transfer of water rights 35-14349 & 35-14350. The transfer application indicates that you would like to add a new point of diversion. The application that you submitted indicates that the point of diversion for these two water rights should be changed as follows:

- TWN 04S, RNG 32E, Sec 19, SWSW quarter of Bingham County
- TWN 04S, RNG 32E, Sec 24, SWSWSW quarter of Bingham County

Please verify that this information is correct. Your current water rights list the point of diversion as:

- TWN 04S, RNG 31E, Sec 24 SWSWSW quarter of Bingham County

If this application is processed it will create two NEW points of diversion and eliminate the existing point of diversion. I am assuming that this is an error, and the points of diversion should be as follows:

- TWN 04S, RNG 32E, Sec 19, SWSW quarter of Bingham County
- TWN 04S, RNG 31E, Sec 24, SWSWSW quarter of Bingham County

I am enclosing an amended application for your review, if the points of diversion are correct as indicated on this amendment please sign and return. Once I receive this back, I can process your application. If you have any questions, please let me know.

Sincerely,

Kerrie Mathews
