Jean,

The lease period should be from 10/8/2013 to 12/31/2015. I forgot to update the information on the cover page when I received the signed application back from Walker Sand & Gravel.

I need clarification on Section E-1 on this application.

In your cover letter, you state the lease period to be through 2017 but on the application the period is from 1/1/2013 to 12/31/2015. What ending date is correct? Also, the lease begin date will be the day we received the application which was October 8, 2013.

I can complete this lease as soon as I get the information requested.

Thank you.
