This application proposes the diversion and use of water from Big Timber Creek, tributary to Lemhi River a tributary of the Salmon Wild & Scenic River. The decreed minimum stream flow rights for the federal Wild & Scenic Rivers are subordinate to certain categories of water use and to specific amounts of water use established after the minimum stream flow.

The water use proposed in this application will benefit from the subordination provision because the diversion rate 5.76 cfs for stock water and 293 acres will be applied to the subordination amounts specified in the decree for the Wild & Scenic River listed above.

Permits will be subject to all prior water rights. For additional information concerning the property location, contact Eastern Region office at (208) 525-7161. Protests may be submitted based on the criteria of Idaho Code § 42-203A. Any protest against the approval of this application must be filed with the Director, Dept. of Water Resources, Eastern Region, 900 N Skyline Dr Ste A, Idaho Falls, ID 83402 together with a protest fee of \$25.00 for each application on or before October 17, 2013. The protestant must also send a copy of the protest to the applicant.
