Re: Northern Agriculture Lease and Rentals

Dear Mr. VanDyke:

Attached to this letter are the original signed applications to lease water rights 35-7618 and 35-7621 owned by Lisa Funk. Also attached are two rental applications for 116.0 acres. The first rental application proposes to rent 116.0 acres of ground water from 35-7618 and 35-7621 to the 116.0 acres on the Northern Ag farm. The second rental application proposes to rent 116.0 acres of ground water from Aberdeen Springfield Canal Co. to the Lisa Funk farm.

The lease and rentals are proposed for only the 2013 irrigation season. ESPA model analysis indicates that no mitigation will be required due to the rental application.

Sincerely,

Greg Sullivan, M.S.
