**Re: Water Right No. 84-10636;
Don M. Imel.**

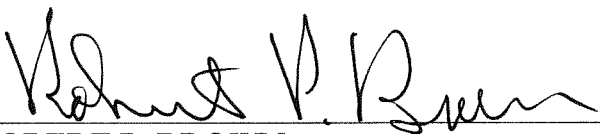

Gentlemen:

Enclosed, please find a Notice of Change in Water Right Ownership, together with a photocopy of the recorded original Warranty Deed from Donald M. Imel to Gerald L. Mooers and Lynda D. Mooers, husband and wife, and John R. Wyatt and Sandra J. Haener, husband and wife. The Mooers and Wyatts purchased a portion of the property to which the water right is appurtenant, together with one-half of the water right, and would appreciate having this one-half interest transferred of record into their names. Enclosed herewith, please find our check in the amount of \$100, representing the split fee.

If you need anything further to comply with this request, please contact us.

Very truly yours,

CLEMENTS, BROWN & McNICHOLS, P.A.
