spoke briefly w/ Jeff - ~~he~~ he suggested the o/c should be undone & have an agent write a letter.

w/ 84-10636 - domestic use for 1 home -
w/ was split (per their request & deed which states they get 1/2 of w/)

Source is groundwater & perhaps they can make app for permit using same well if they have their own separate pump (I think that's what he said - he referred to MISC. Memo #15.)

Along the way I discovered that the POB may be incorrect deed & Parcel # noted places POB in NWSE & PO states SESW??
