RE: Change in Ownership on Water Right License No. 75-7536

Dear Interested Party:

The Department of Water Resources conducted a computer search using ArcMap, which indicates that you may be the new owner of the property associated with the above mentioned water right license. This water right is currently in the name of Betty K. Martinson.

If it is your intent to have this water right changed into your name, a Notice of Change in Water Right Ownership must be filed with the department along with a \$25.00 filing fee. Enclosed for your convenience is a Notice of Change in Water Right Ownership form with instructions, and a copy of the water right license.

Section 42-248, *Idaho Code* requires that all persons owning or claiming ownership of a water right shall provide notice to the department of any change in ownership of any part of a water right or any change in the owner's mailing address.

If you have any questions, please contact Jean Hersley at 208-287-4942.

Sincerely,

Darla Block

Technical Records Specialist
