RE: Change in Ownership Water Right No. 31-7052C, 31-7052H, 31-7052N, 31-7469 & 31-11921

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required for water right before we can process the change. The information required is indicated below:

**** **Information:** On July 2, 2013 the department sent a deficiency letter requesting an Assignment of Application for Permit for water right 31-7469. The department sent another request early August 2013. The department received a request from Chad Larsen to remove water right number 31-7469 and to refund \$25.00. The department contacted Rabo Agrifinance to see if they wanted us to remove the water right number from their Notice of Security Interest. They had requested that we wait until they could check if that would effect their loan. The department is still waiting on information on whether or not this water right will be removed.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
