Department of Water Resources
Eastern Region

NOTICE OF PROTEST

This form may be used to file a protest with the department under sections 42-108B, 42-203A, 42-203C, 42-211, and 42-222, Idaho Code. The department will also accept a timely protest not completed on this form if it contains the same information.

1. Matter being protested Application #78800 in the name of Nancy Linell Bills
2. Name of protestant JIM HUDSON
3. Protestant's Representative for service (If different than protestant)
N/A
4. Service mailing address P.O. Box 173 Carmen, ID 83462
5. Service telephone no. 208-756-3193 Email Address: jHUDSON@custertel.net
6. Basis of protest (including statement of facts and law upon which the protest is based)

Permanently removing water from the Carmen Creek Basin during the irrigation season; negatively affecting anadromous fish and the water table within the Carmen Creek drainage. Increased flow in the Bills Ditch would increase the potential for catastrophic ditch failure, resulting in property damage/valuation and irreparable visual scars to the landscape, which has already occurred under the current flow.

(additional pages may be attached to describe nature of the protest)

7. What would resolve your protest? Not increasing the water flow through the Bills Ditch and retaining Carmen Creek irrigation water within the Carmen Creek drainage.

I hereby, acknowledge that if I, or my designated representative, fails to appear at any regularly scheduled conference or hearing in the matter of which I have been notified at the address above, the department may issue a notice of proposed default against me in this matter for failure to appear. I also verify that I have served a copy of this protest upon the applicant.

Signed this 29th day of September, 2013.
