Re: Application for Permit 63-33639
MTBR&F File No. 22377.0000

Dear John:

Thank you for your letter of July 8, 2013. After coordinating the calendars of the Applicant, Scott King of SPF Water Engineering, and myself, I am enclosing a calendar depicting our collective availability for the hearing in this matter. As requested in the calendar provided by IDWR, an "X" identifies those dates that we are all available. Also, by way of update, based upon the discussions at the pre-hearing conference, I have been drafting a proposed settlement agreement that I expect to circulate to the Protestants for their review within the next 1-2 weeks.

If you need anything else from the Applicant at this time, please do not hesitate to contact me. Thank you for your attention to this matter.

Very truly yours,

Dylan B. Lawrence
